Fistful of Lead: Episode 1: Welcome to Rock Ridge

SCENARIO 1: This Town Ain't Big Enough for the Both of Us

RANGO GANG—6 figures, 3 for Dave Nelson, 3 for Tim Moyer

ROJO GANG---6 figures, 3 for Andrew Smith, 3 for Jason Liebert

Set-Up: Rojos set up behind the barn, Rangos set up in the saloon.

Twist: every time a Joker is dealt, 2 soldiers come out of the Church and begin blasting away at both sides.

Summary of Action: at first things went poorly for the Rojos, who spent their time engaging the soldiers unnecessarily. Eventually, however, there was a grueling fight behind the sheriff's office that turned things decidedly against the Rangos, wiping them out. Three Rojos were left standing when the last Rango Rifleman was shot off the roof of the saloon.

Prize: Jason won the prize for having 2 men standing at the end.

Scenario 2: Raid on Rock Ridge

Judas Kaine Gang: 6 figures—Bob LaForge

Rojo Gang: 6 figures---Tim Moyer

Big John's Posse---Jason Liebert

Rango Gang---Andrew Smith

Referee---Dave Nelson

Set-Up: Rojos coming to town to bust Lt. Gonzales out of the jail, while Judas Kaine gang is simultaneously coming to town to rob the bank. Sheriff Big John and The Rangos are there to protect the town, but don't know what the goal of either attacking gang is. Judas Kaine set up behind the bank, Rojos at the hill outside of town, Big John in the sheriff's office/jail, and the Rangos inside the church.

Summary of Action: After scaring away Silver Dollar Jenkins, Judas Kaine's gang got torn up by 2 Rango Riflemen firing from the church window, and then by the Pinkerton Detective and the surprisingly feisty Bank Manager inside. The last 2 surviving Kainers got into the bank vault, but one of the Rangos chased them in there and beat them both to death. Meanwhile, on the other side of town, there was an immensely long rifle duel between the 2 Rojo riflemen on the hill and one of the Posse on the roof of the jail. The Rojos were plagued by their cheap Tijuana ammunition, but eventually prevailed. One Rango horseman tried to take advantage of the Rojo ammo problems, but was gunned down for his trouble. The two Rojo horsemen and 2-gun Pedro tried to rush the jail from the side, and bafflingly, posse members kept jumping out of the window to confront

them, but were eventually gunned down. One of the horsemen was eventually killed, but Pedro kept getting shot over and over again but kept getting back up. As the last posse member went down, the surviving Rango horseman and 2 Rango rifleman showed up to help. The horseman was shot down, and eventually the two riflemen were driven off and ran for the bridge out of town. After a long exchange of gunfire, the Rojos finally killed Old Stumpy the jailer and busted Lt. Gonzales out of jail.

Prize: Tim won the prize for the Rojo victory.
