LOG

May 19—Pits of Damnation

After 2 weeks of preparation and recovery, Mrow, Shump, Renly, Giggles and Zerkwad and their henchmen return to Pits of Damnation, level 5A. They proceed south from the dragon room and see a corridor coated in dust. Zerkwad uses a Find Traps and then Dispel Magic to disarm an anti-cleric choaking spell. They decide not to kill or recruit an elf wizard and his guards they found.

Giggles is surprised and scratched up by a Chimera. Red Jim is critically injured by its flame. Renly revives him. After a brutal battle, Shump finishes off the beast. They find a secret treasure room, plagued by magic screaming. They trap themselves in the room, but Mrow uses his Passwall wand so they can escape.

Regrouping, Renly opens a door to the north, unlocks the door and is struck by 2 poisoned darts, but doesn't die. They waste time with a decoy sarcophagus and find a hidden treasure room. Mrow uses knock spell to open magic locks on the chests. Cat Astrofee is poisoned by a gas trap, but cured by Renly. In a corridor beyond, Zerkwad activated a fire trap, which missed everyone but Renly and destroyed much of his stuff and did some burn damage. At the end of the hall they find a demon statue, but avoid touching it.

May 20—Emporium

Group takes a day to rest and resupply at home.

May 21—Pits of Damnation

They find a chamber guarded by 2 vampires, which are quickly killed after a fierce and brutal battle. There are 2 stone trunks in their room. Renly loots the first. Cat Astrofee is poisoned examining the second. Cured by a potion from eChuggins. 4 dark elves attempt ambush the party while they search. They critically wound Red Jim. Mrow uses a Dirt pile and a Fireball spell to deal with elves. Zerkwad rescues Jim (critically wounded and trapped under the dirt pile) with a Stand the Fallen spell.

They find Lich Hortamox in an amber sarcophagus. He offers to give the party a request in gratitude, but Renly sasses him and the fight is on. Mrow throws a lighting bolt at

the lich, but it rebounds onto the caster. Shump and Giggles wound him, but he first uses a Grip of Power spell to crush one of Giggles' arms, then backs up and hurls a Fireball. Mrow and NJK killed by the fireball. Many others in the party are wounded. Shump and Giggles finish off the lich. The party uses a salve of Reincarnation to Reincarnate Mrow as an elf. They chuck NJK's corpse into a corner and head back to the surface.

NEXT GAME will take place on MAY 1 real world, and 2 months in-Game will have passed (July 21), to allow some scroll/potion creation and for Giggles' crushed arm to heal.
