These mercenaries include the Cleansing Flame and Greasy Raiders commanded by Ivo, the Hellfire Team commanded by Gummo, the Shells of Power commanded by Toby, the Rude Sods commanded by Moonshadow, and Tiny Danger under the command of Walker, Pine Woods Ranger.

The Half-Gross heroes travel through the Pine Forest with their army, with little trouble. However, their presence is noted.

That evening, the Half-Gross heroes assault the Perp Azholz at night with the help of their mercenary help. Gummo is slain by an ambush of ogre sneaks. Tiny Danger is particularly effective at keeping the ogre sorcerers from making too many appearances. After a long battle, the keep is captured and the heroes claim a huge reward of gold and salvage. As the new day dawns, they rest planning to decide their next move.
