TEXT:

Dear Mr. Hunter:

Your Uncle Broderick has passed away leaving behind a substantial estate. As the only member of the family who has followed the ancestral trade, Broderick has left to you a newly built Safari class starship. The ship is being built at the Ling Standard Products shipyard here at Rhylanor. Broderick has made the down payment on the vessel, but it has been financed by a standard construction mortgage. If you should desire to take ownership of the vessel, you must arrive here on Rhylanor by the midpoint of the year (day 183, year 1111) to take physical possession. At that point, you will become liable to make the monthly mortgage payments of 289,300cr per month for 480 months. The ship has been equipped with the standard equipment for the class, with the addition on a pulse laser and a missile rack (due to your uncle's frequent forays beyond imperial space).

We are sorry for your loss, and are looking forward to meeting you when you arrive on Rhylanor to take possession of your inheritance.
